# Christian Youth In Action

"CYIA is the best part of my summer. I have never participated in another Christian program that has stretched me and grown my faith like CYIA has. Every year I do it, I am reminded time and time again of God's great faithfulness to obedient believers and loving heart towards the lost sinners of this world."

~Callie CYIA student

CYIA has grown my walk in Christ more than anything else. The friends and memories I have made will continue to grow and change my life for the best.

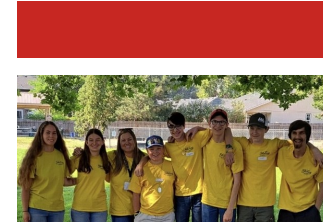

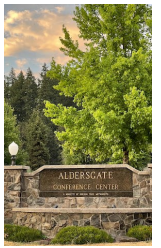

~Bryant, CYIA Student

## Is CYIA right for me?

There are three questions you can ask yourself to determine if CYIA is for you:

1. Do I like working with other teens who love Christ?
2. Do I want to do something during my summer that will make an *eternal* difference?
3. Do I want to make a positive impact in my community in Oregon for Christ?

**If yes, then CYIA just might be for you!**
