## Teaching Children Effectively I®

TCE1® is a course that enables you to learn about the philosophy of *Child Evangelism Fellowship®*, but also enables you to understand and teach our curriculum with a new level of skill. Learn to take any Bible narrative and turn it into an evangelistic lesson with a main teaching for the saved child. Practice the principles behind our IPEAR method of teaching songs and Bible verses. The only way to truly increase one’s ability is both to understand the method and to practice it. Donna and Colette have used these methods to teach in Sunday School, on a mission trip, and in Good News and 5-Day Clubs.

There will be four weekends where we meet Friday nights, and all-day Saturday in January and February. These will be January 7<sup>th</sup>, 28<sup>th</sup>, and February 11, and 25<sup>th</sup>.
